THE BASE / WRAPAROUND OUT OF SCHOOL AND HOLIDAY CHILD CARE

- ❖ The George Fentham Before and After School Club opened in September 2001 with two members of staff and a handful of children using the facility. Within a few months we had to take on a further member of staff. The name was a bit of a mouthful so a 'name the club' competition was organized for the children and **The Base** was born.
- ❖ Today we are very successful and now run holiday schemes to give parents extra cover and flexibility. During holidays we are based in the nursery building and occasionally link up with other out of school groups to take part in a variety of activities. We have close links with Hampton Sports Club and during holidays we take part in sports coaching sessions.
- ❖ In September 2004 to expand to a full childcare provision, we introduced a Wraparound service to provide all day cover for nursery children. This facility has grown each year and is extremely successful.
- ❖ The BASE is a non-profit making organization supported by a Voluntary Management Committee (VMC) made of mainly parents and carers. The VMC meets on a regular basis and encourages input from other parents.
